

# About HRRMC Allergy & Immunology

*Our philosophy for patient care is to view and treat patients like family. We believe in treating the whole person and think that communication and compassion are key.*

## Conditions we treat:

- Allergic skin and/or GI disorders
- Asthma, chronic cough and other breathing disorders
- Dermatitis/eczema
- Environmental allergies
- Nitric oxide gas measurements (pollen, animal, dust)
- Food allergies
- Hives
- Immune disorders
- Recurrent infections
- Stinging insect allergies/reactions

## Services we offer:

- Allergy shots
- Allergy skin testing
- Biologic therapy for asthma, nasal polyps or atopic dermatitis
- Breathing tests
- Certified asthma educator on staff
- Nitric oxide gas measurements

**Shikha Gupta, M.D.**, is a board-certified pediatrician who has studied under leaders in the field of atopic dermatitis (eczema) and food allergies. She looks forward to treating both children and adults alike who suffer from allergic diseases and recurrent infections.

**Diane Napoli, M.D.**, is a Fellow of the American Academy of Allergy, Asthma & Immunology, and a Fellow of the American Academy of Pediatrics. She served in the Air Force for 20 years, where she practiced as both an allergist/immunologist and a pediatrician.
